PROFILE

Highly motivated and detail-oriented Full Stack Developer with a strong command of the MERN stack (MongoDB, Express.js, React.js, and Node.js). Skilled in building responsive, dynamic, and scalable web applications using modern technologies like HTML5, CSS3, and JavaScript (ES6+).

Experienced with React.js, Bootstrap, and Material UI (MUI) for crafting sleek, user-friendly interfaces. Proficient in backend development using Node.js and Express.js, with hands-on experience in database management using MongoDB and Firebase.

Knowledgeable in state management with Redux, and adept at using Git and GitHub for version control. Committed to continuous learning, writing clean, efficient code, and delivering high-quality digital solutions.

EMPLOYMENT HISTORY

MEAN STACK DEVELOPER, NO EMPLOYMENT, KARACHI

JUNE 2023 - MARCH 2024
